1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of Company

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Utilities in Tega Cay are monopolies. The consumer does not have choices for water/sewer or electric. Living on a fixed income and a single person living in the home makes my proposed water/sewer bill equal to what I must pay in taxes yearly. With this increase it will cost me enough that I will have to cut my grocery consumption by \$25. Corporate greed gone crazy so that "investors" (the top 1%) can make more money.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
